

# Now Booking 2010 Private Land "Southern Colorado Fair Chase" Quality Elk & or Mule Deer Hunts

As featured in TROPHY HUNTER magazine, "Southern Colorado has been the state's # 1 trophy elk producing area for the last 10 years." The main reason - simple: Better age ratios (older bulls) and less hunting pressure. Our Southern Colorado hunts offer these key elements, plus the added advantage of hunting well managed private ranches at prices competitive with many public land hunts.

## How To Book Your Hunt

We feel it is very important to talk personally with the individual or party leader about the hunt you are interested in. We encourage questions prior to booking your hunt to establish your needs, expectations, special requirements, budget and any and all issues that are important to all of us. Please don't hesitate to call and talk to either Richard or Steve Flowers.

**Payment Policy:** Deposits on most hunts are 50% with the balance due upon arrival.

We would like to thank you for considering us for your future Western Big Game hunt. We are proud to say that we had another exceptional "high success and trophy harvest season in 2009." Hope we'll have the pleasure of meeting you this fall and showing you the quality of hunting we enjoy on our Colorado and New Mexico private ranches.

# Colorado "Southern Elite" Trophy Elk

## As good as the 15+ Preference Point Draw Areas!

Big Bulls best describes this vast and beautiful private ranch formally in ranching for wildlife. Over 15 years of extreme Trophy Management with low harvest quotes, high horn score restrictions and a strong gene pool places this ranch in Colorado's Elite Top 10 Trophy Elk Areas. 330-340 is a realistic horn standard with high potential for 350+ Bulls. The largest bull taken last year scored 408. Consider this hunt our best Colorado Trophy Elk producer! (Very limited availability).

## "Ultimate P&Y" New Mexico Archery Elk

### "As good as the Gila"

This archery Trophy Elk hunt will take place on a 170,000 acre private ranch located in southwest NM north of the Gila Wilderness Area and has produced Bulls in the 370 to 400 class including the NM State record 429 Bull. The ranch has maintained a strict trophy management program that restricts the harvest of any Bull less than 350 pts. This ranch will equal or exceed most "world class" trophy elk areas in the Western US (including Indian Reservations) and at a better value.
